	Tax and VAT need to be clean .....	14
	Undue customer or supplier dependence is a potential risk .....	14
	Major customer contracts due for renewal are a cause for concern ....	15
	Relocation may be a plus or a minus.....	15
<b>3</b>	<b>DEVELOP YOUR STRATEGY INTO AN ACQUISITION PROFILE</b>	<b>17</b>
	Strategy needs focus .....	18
	Evaluate alternatives to acquisition.....	19
	Organic growth.....	19
	Trading agreements.....	20
	Strategic alliances .....	21

Minority equity stakes.....	22
A joint venture or consortium.....	23
A majority equity stake .....	24
Performance-related deals.....	24
Assess the likely number of acquisition targets.....	25
Write an acquisition profile to focus your acquisition search.....	26
Maximum cash available for acquisition .....	27
<b>4 FIND RELEVANT TARGETS AND WOO VENDORS</b>	<b>31</b>
A UK in-house search – initial stages.....	32
Be wary of using external advisers.....	33
An in-house UK search – main search .....	35
Don't just contact vendors, woo them from the outset.....	36
The initial meeting with the vendors.....	37
The key meeting to obtain streetwise information from the vendors....	39
An overseas search.....	40
<b>5 USE COMMERCIAL COMMON SENSE TO VALUE A BUSINESS AND MAKE AN OFFER</b>	<b>43</b>
Adjusted profit history and forecasts are vital.....	44
Quantify major cost rationalization opportunities.....	47
Calculate the adjusted net assets .....	48
Use your own adjusted profits for valuation .....	49
Structure the offer to reflect vulnerabilities .....	51
Discuss your offer face-to-face with the vendors .....	52
<b>6 NEGOTIATE THE DEAL AND SIGN HEADS OF AGREEMENT</b>	<b>53</b>
Negotiate the Heads of Agreement .....	54
Earn-out deals need defining .....	58
Warranties and indemnities need to be negotiated .....	60
Fix the maximum liability of the vendors.....	60

	Joint and several liability for vendors .....	60
	Agree the basis to trigger a warranty claim against the vendors.....	61
<b>7</b>	<b>STEER THE DEAL SAFELY TO LEGAL COMPLETION</b>	<b>63</b>
	Effective commercial due diligence is vital.....	64
	Environmental due diligence needs to be done on every deal.....	65
	Financial due diligence must include profit forecasts and the order book .....	66
	Pension due diligence.....	67
	Legal due diligence should include contractual issues and regulatory compliance .....	67
	Assess the disclosure statement by the vendor and negotiate changes .....	68
	Prepare to announce the deal internally and externally.....	68
<b>8</b>	<b>POST ACQUISITION MANAGEMENT: TURN AROUND LOSS MAKING COMPANIES EFFECTIVELY AND QUICKLY</b>	<b>71</b>
	Make an initial impact.....	72
	Set up reporting relationships and authority limits.....	75
	Establish clear rules for handling the media .....	75
	Keep head office interference to a minimum.....	75
	Get an overview of the business .....	76
	Start with the sales team.....	76
	Scrutinize overhead and administration costs .....	78
	Tackle production and procurement costs... and opportunities .....	79
	Set relevant short-term forecasts and objectives.....	80
	Financial planning and control need clear priorities .....	81
	Create a budget for the new financial year.....	81
	Examine research and development .....	82
	Address the medium-term future for the business.....	83
	Make redundancies urgently and humanely .....	85

**9 UTILIZE EXPERT STREETWISE TACTICS 87**

Discuss the structure and form of consideration  
before making a written offer .....88

Realize that too low an initial offer may lose the deal .....89

Reveal any onerous conditions early to reduce their impact.....90

Spell out and sell your management approach.....90

Recognize that your conduct prior to completion is crucial.....91

When negotiating the final deal it is unlikely that  
the vendors can justify a higher offer .....91

Criticizing the business to the owners must be avoided.....91

Quid pros quos are an effective way for win-win negotiation .....92

When no agreement is reached, keep the door open.....92

**10 CHOOSE AND APPOINT ADVISERS WITH CARE 93**

Identify the help and advice you need and want .....94

Recognize the advice and help which is available .....96

Create an effective beauty parade to select advisers.....97

Always agree fees and negotiate the engagement  
letter before appointment .....98

Telephone references on individual advisers really are valuable .....99

Ensure advisers keep you informed of progress .....99
